During the February Board meeting, Doug Walter was appointed Webmaster

As you can see I have a great group of dedicated Board members to work with in the upcoming year. The Board is already hard at work planning many things for you in the 2012 Race Season. If you have any ideas for social events or things you may think could be beneficial to "OUR" club, contact a Board Member. We are always open to new ideas.

We have a NEW website that will be up and running this month. Doug Walter and Lisa Moreno have been hard at work creating a site that will be user-friendly as well as useful for our members. We will be sending out an i-contact and posting information on our Facebook page with complete details. We apologize for any inconvenience during the construction of our new site.

Our first Gold Cup race of the season, Runnin' With the Irish, is on March 17. Since we NO LONGER use sign in sheets to track your information, everyone must go online to the CRS website to check your information ensure you were given correct scoring. It is up to each individual to dispute any discrepancies within 15 days of each race. Please allow a few days for the stats to be posted. If you feel you have a discrepancy you will need to get in touch with the Statistician. We will be sending out an email blast with that information as well as post it on our Facebook page.
