

2018 Gold Cup Series Application

Attention all Race Directors:

We are now accepting applications for the 2018 Gold Cup Series. Factors such as type of course (road or trail), length of race (and certification), time of year, series availability and quality of past events are used in the selection process. The Gold Cup Committee is especially interested in hearing from races that are 4, 5 miles, 10k, 13.1 miles or longer and have a quality that makes them stand apart from other events (such as different terrain, special charities). Runners have also expressed interest for weekday races, earlier starts and Sunday events. The cost of the Series remains at \$175.00 and is due at the time of your application. If your race is not selected for the 2018 Gold Cup Series, your application check will be returned to you.

Applications are due no later than October 1, 2017 to the following address:

Barb Hamner
Calumet Region Striders - Gold Cup
7409 Vale Dr.
Schererville, IN 46375

Or by email at:

Email: Goldcup@calstrider.org
Subject: Calumet Region Striders - Gold Cup
Phone: (219) 718-9858

Any materials received after October 1, 2017 may not be considered.

If your race is chosen, it is mandatory that a draft of your race registration form be received 90 days prior to the race for content review. Once your race application is approved, 500 printed race registration forms are due no later than 60 days before the event for insertion into our monthly Instep newsletter. Your race applications should be 8.5" x 11". **It is not necessary to fold 400 of the applications.** Please fold 100 for display at Strider table. Applications can be dropped off at the home of:

Jose Lopez
6542 Coyote Ln
Schererville, IN 46375

A Porter County drop off may be available. Please contact Gold Cup Chairman to see if this option is available.

The cost includes promotion of your event on the Calumet Region Striders website, our Instep Newsletter, e-mail blasts and via our Facebook page.

It is the Calumet Region Striders Board's goal to maintain the Gold Cup Series' reputation by making sure that all of our races offer the highest quality and safest racing experience for runners of all abilities. There are certain Gold Cup requirements that you must agree to adhere to with regards to the registration form, registration procedure, course, awards, and post-race which will be provided to you. This includes attendance at our Gold Cup Race Directors meeting details to follow on location and date.

If you are not selected for the 2018 Gold Cup Series, this will not prohibit you from reapplying in future years, or from us promoting your race as long as it does not conflict with another race in the series.

I will be in touch further as the decision-making process occurs, but please feel free to contact me if you have any questions. We look forward to your participation in this process.
